

ALCOHOL AND THE LAW

TEACHER NOTES

You and the law (PSHE 11 - 14 worksheets)

Target age group: 11 - 14 year-olds and 14 - 16 year-olds

Preparation: Download/photocopy **You and the Law** sheet.

Structure: Depending on the ability of the students, they might complete activity 1 and either 2 or 3 in one lesson. 2 and 3 could be used for homework activities.

Objectives

To help students understand:

- o the law as it affects them
- o why laws exist
- o what might happen in the absence of laws
- o that problems with alcohol can occur even if the law isn't broken - personal responsibility.

Activity 1

Before being given the worksheet, students could be asked to state what they think the law says in relation to:

- o drinking alcohol in pubs and bars
- o buying alcohol in shops and supermarkets
- o whether or not parents can give children alcohol.

Activities 2 and 3

One activity is about two boys and the other about two girls; students could choose which one to explore. The questions are similar in some instances but raise different issues, which often affect one sex more than the other.

Activity 2 Question 1

The police may consider Simon to be drunk in the street for which he could be arrested. However, they haven't purchased alcohol under age, even if they shouldn't have taken it from Simon's parents.

Activity 3 Question 1

The girls have purchased alcohol in a pub under the age of 18, which is illegal. There are no right answers for most of the other questions. Therefore, this is ideal for group work so students can work out what they think are the best responses and share them with other groups.

Extension activity

Direct students to the Fact Zone of the Young People's section of the Talk About Alcohol website.
